

What is a Rising Star Scout?

Last Updated Saturday, 01 December 2007

Rising Stars Scouts are Scouts who are five years of age to 11 years of age.Â

Since the Scout Programs of Adventure Scouts USA are newly formed and the participation of everyone is the ultimate goal, temporary mixed teams, of both Rising Star and North Star Scouts, may be necessary in order to initially accommodate everyone who wants to be a team member of the Scout Programs of Adventure Scouts USA.

Â When there are enough Scouts within a mixed team the team can choose to divide the mixed team into program-specific teams.
