Last Updated Saturday, 01 December 2007

The Scout Programs of Adventure Scouts USA are truly dedicated to the encouraging more participation in the worldwide Scout Movement. For those who wish to join one of the Scout Programs of Adventure Scouts USA as a Scout, but they are not accessible to an organized team we, offer a program called, Outpost Scouts, which provides an opportunity for all to participate as a Scout.

Typically a local adult will act as the counselor and coordinator to assist a Scout participating as an Outpost Scout.
