

The Scout Programs of Adventure Scouts USA are the cumulative effort of many people, some of whom offered only one idea; others who have offered a direction to head in.

Some became enthusiastically involved and many others contributed to the degree that they felt comfortable.

We ask the Scouts of the Scout Programs of Adventure Scouts USA to always give their best. Similarly, we encourage all those interested in our endeavor to give their best. We value the participation of all who seek to improve the lives of others and always welcome suggestions.
