

Your adventure starts here! We offer our Scouts the unique opportunity to participate in Scout Programs which provide FUN, exciting, modern activities that they choose themselves via democratic principles.Â Our Scout Programs develop an appreciation for and an understanding of democracy and the value of choice in our Scouts at a young age. We are family friendly.Â

Our Scouts get the opportunity to participate in a fully nondiscriminatory, inclusive atmosphere.Â In fact, we are the only fully nondiscriminatory Scout Programs in the United States.Â The reason we exist is to serve others.Â We are developed as Scout Programs, by and for our Scouts and Members, and not as an organization.Â We are committed to adventure!
