

The world seems to be made for somebody™s only. No matter who we are, it seems there is always a group we cannot join, a level we cannot reach, a restaurant we cannot get into; the modern celebrity-centric world seems to revolve around who is "good enough" to get in and who is not.

^

The Scout Programs of Adventure Scouts USA decided to solve this problem by making sure only "somebody™s" could get in. Luckily, every person of good will is a somebody to us! Every youth who wants to join to have FUN is a somebody, every youth who was rejected by other programs is a somebody, every youth who wants to make a difference is a somebody, and every parent doing their best to raise a decent person and a responsible citizen is a somebody.

Part of the Scout Promise is that each Scout recognizes that they are unique. Each of our Scouts is a different person with different needs. We value each Scout, each member, and each family as a part of our family. We recognize that each Scout is a unique person with their own qualities. Every Scout can be the best they can be. Every Scout will not have the same abilities, but no matter what the Scout™s ability, each Scout can progress and each can

do their own personal best.Â Â

Each of our members is a winner and a somebody,  
and we look forward to meeting the somebody who  
is you!
