Our Rising Star Scout Program is for Scouts aged 5-10. Our FUN activities are appropriate for that age group. With our Rising Star Scouts, we concentrate on them having FUN, learning the rules of games, good sportsmanship, and kindness to others

One of the benefits of our Rising Star Scout Program is Action Hero Play. Occasionally, our Rising Star Scouts dress up as their favorite action heroes at meetings and sleepovers. They acquire the knowledge of what makes a real hero a hero and that they are heroes too every time they help someone else and use fair play. We concentrate on developing confidence and enhancing character as instilled by parents.
